

COMMUNITY MOVIE DAY

FOR THE LUTHRA FAMILY

With heavy hearts, we are reaching out to our community to support one of our beautiful families. We are rallying together to help Maninder Walia (Sonia) as she faces the heartbreaking loss of her husband and father to their 3 children.

Sonia is a devoted mum, kind and quiet strength in her family. We would like to ease some financial burden, so she can focus on caring for the children.

Sumit was a friendly face at our school gate, a proud and devoted husband.
